

SOCIETY ANNUAL GENERAL MEETING 2018 - APPOINTMENTS REPORT

1. I estimate that the games covered this season have been slightly more than last season in respect of Senior/Junior games. There has been a spike in the number of Ladies games with teams now competing out of Buckingham, Chesham, High Wycombe, Risborough and Marlow. In addition to those Buckingham, Chesham and High Wycombe have also had referees take charge of some of their girls games.

We exchanged referees with Devon, Somerset, Gloucestershire, London, Warwickshire, Oxfordshire, Hertfordshire, East Midlands & Eastern Counties.

2. The County Cup Competition was completed this season with **Amersham & Chiltern** defeating **Aylesbury** in atrocious weather conditions with a team of three from London in charge. The County Plate Final, between **Slough** and **Bletchley** was refereed by **Laurent Morlet** with **James Dowds** and **Clive Piggott** as his **Assistant Referees**. **Slough** was the winner on the day.

3. I'd like to take this opportunity to thank each and every one of our referees and advisers, the latter under "Braveheart's" direction, for their help and understanding over the past season. Many have stepped in at incredibly short notice and I'm positive that the clubs, senior and junior, are grateful for that. Looking forward, to next season, midweek games, especially in the early part of the season, will continue to be a major problem to find referees for so any availability will be really well received. Keeping your availability updated on Who's the Ref will help me immensely.
